## NOTICE

Following an investigation based on a complaint from Biswajit Behera, a 2nd-year Mining Engineering student and resident of Baldevjew Hall of Residence, it has been established that on the night of 05.11.2024, several senior students—Mohit Patra (3rd Year Mining), Chitta Ranjan Kusum (3rd Year Civil), Sekhar Makar (3rd Year Mining), Rabinarayan Das (3rd Year Metallurgical & Materials), and Saifalya Samarjati Mallick (3rd Year Mining)—were involved in an incident of severe misconduct. The students forcibly entered Mr. Behera's room, caused damage to property, and physically assaulted him, despite his efforts to seek help from the hostel warden.

A disciplinary committee meeting was held on 06.11.2024 at 12:00 PM in the Board Room, during which the statements of all involved parties were reviewed. The committee found that most of the students involved had a record of indiscipline and had been issued prior warnings, with parental involvement in some cases. In light of the grave nature of the incident and the continued disregard for institutional discipline, the disciplinary committee has unanimously decided on the following actions:

1. The students—Mohit Patra, Chitta Ranjan Kusum, Sekhar Kumar Makar, Rabinarayan Das, and Saifalya Samarjati Mallick—are rusticated for a period of one year, effective immediately.
2. They are prohibited from residing in the hostel and participating in any academic or extracurricular activities associated with the institution during this period.
3. Failure to comply with these directives will result in the filing of a First Information Report (FIR) against them at the local police station.

This order is issued to reinforce the importance of discipline and to uphold the values of the institution. All concerned departments and the hostel administration are requested to enforce this decision strictly.
